Subject: TESTIMONIAL

Dear Leather CPR,;

It was great that you were able to sell me some of the Carpet CPR

I went to one of the warehouses and bought 2 bottles of the CARPET CPR. I tried it and WOW!!!!!! the spots in the carpet disappeared and they never showed up again. I used all the carpet cleaning products available in the markets and they appeared to do the work and the next day the spots reappeared.

I am happy to give you this testimonial, I am an average consumer that wants the products to do what they are supposed to do ad CARPET CPR does the work.

I hope that soon it will available in the San Diego area. If you need a representative for your product, I will be more than happy to help.

Respectfully;

Eva Z
