Leather CPR

Hi!

I wanted to let you know that the ~~carpet~~ carpet cleaner that I bought at Home is by far the best cleaner I have ever used. I have always had a poodle and you know how they can have mistakes. I have looked for some more of it there but I can't seem to find it.

Is it going to be available any where else in Fort Worth? Please let me know. I am speaking of

CARPET CPR.

Sincerely,

Hona Travis
