Subject: Inquiry from Leather CPR

I just sent you an email in reference to use of the product.

I just wanted to let you know that I tried CPR for the first time two years ago. I cleaned and conditioned my beautiful leather jacket before storing it for the summer. When I took it out for use last winter it was absolutely beautiful! I've always gotten compliments on the look, but now I also get compliments on how soft it is...and it always looks like I just walked out of the store with it on!!!

I tell everyone I know about Leather CPR!
