I am a retiree and have used many leather cleaning products in my lifetime. I recently was told about CPR leather and found it at [redacted]. I used it yesterday on my leather sofa and recliner, then on my leather jacket, purses and shoes. I have never seen them so "shiny", clean & soft! Everything looked like new and it was so easy! You have a wonderful product and I will highly recommend it to all my friends. Thank you.

Sincerely,  
Helen M.
