

August 2005

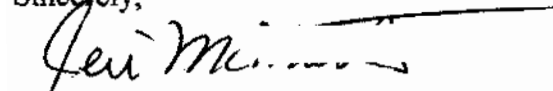

Leather CPR
11601 Wilshire Blvd.
Los Angeles, CA 90025

I am delighted to let you know what a wonderful product you have. Leather CPR is even better than you advertise.

I thought my leather sofa was beyond help. After two applications of leather CPR, it cleaned, made the sun fade unnoticeable and returned the soft touch to the leather.

Thank you for marketing this great product.

Sincerely,

Jeri M.
