Dear Wonder Marketing,

I have three large pieces of leather furniture that had been in storage for over five years. And I just knew was ruined. I saw Leather CPR in my local [redacted] and thought, what the heck. I gave Leather CPR a try and Wow! My old leather furniture looks new now.

Leather CPR is amazing, quick, and very easy to use. I am telling everyone, what a great product this is. I can't wait to try it on my car seats.

Keep up the good work.

Sincerely,
Keri P. S.
